## **Rep. Steffen Applauds the Appointment of Rep. Barca as Vice Chair of International Affairs Committee**

**Madison-** Last month State Representative David Steffen (R-Howard) was named Chair of the International Affairs and Commerce Committee, which is set to focus on enhancing Wisconsin's international investment and export opportunities through the promotion of international trade, communication, and tourism. Today, Representative Peter Barca (D-Kenosha) was named the Vice Chair of the committee.

"I am incredibly excited to be working alongside Representative Barca on the International Affairs and Commerce Committee. His vast experience in public service, including as a Congressman in the U.S. House of Representatives, will be a true asset to the committee. I am pleased that he has been selected to serve as the Vice Chair of this committee, and look forward to working together," said Rep. Steffen.

The Wisconsin Assembly joins several other states throughout the county with a committee focused specifically on international affairs and relations.
