Former Representative Chris Danou Endorses Rob Grover for the 92nd Assembly District.

Galesville, WI — On Wednesday, July 25th, Democratic candidate for the 92nd Assembly District, Rob Grover, was endorsed by former 92nd Assemblyman Chris Danou.

Danou stated, “I am proud to endorse Rob Grover to fill my former seat in the Assembly because Rob will be a champion for average folks in Buffalo, Trempealeau and Jackson Counties. In a time when politics is more divisive than ever, we need a progressive voice like Rob’s who will always put people before part when legislating. Please get out and vote for Rob Grover on August 14th.”

“I am very grateful for the endorsement of Chris Danou for the seat that he formally held. While in the Assembly, Chris was a strong advocate for increasing funding for our roads and schools, protecting our natural resources, increasing broadband internet access, keeping people on the farm, and other progressive issues” Grover stated.

Growing up on his family's farm in Galesville, working as a Corrections Officer for the Trempealeau County Sheriff's Department, and opening up his small business, Winghaven Pizza Farm, has given Rob a firsthand perspective of the issues facing rural Wisconsin. When in the State Assembly, Rob will make rural Wisconsin a priority.

Chris Danou represented Buffalo, Trempealeau and Jackson Counties in the Wisconsin State Legislature from 2009-2017.
