Local Organizations Collaborate to Host YPWeek Green Bay

On Broadway, Inc., Downtown Green Bay, Inc., Emerging Leaders Society, Green Light Project, and Habitat Young Professionals are joining forces to present YPWeek Green Bay sponsored by Breakthrough. YPWeek is a weeklong platform for discovery, adventure and meaningful conversations about the issues that matter among young professionals.

Started by NEWaukee in 2012, YPWeek has expanded to include 21 communities and 100+ events in 2019. Each host community will present a variety of programs that empower young professionals to take ownership and pride in their city.

Here in Green Bay, events range from a kickball tournament and spring clean-up, to a community conversation around collaboration, the creation of a pocket park, and more. For a full listing of events, please see below.

The program will be held April 19 to 27, at various locations throughout Green Bay. At the end of the week, YPWeek Green Bay will deploy a survey to gather data on what young professionals need from their city, officials, and employers.
